COMPARING CAMPUSES

GREEN EDITION

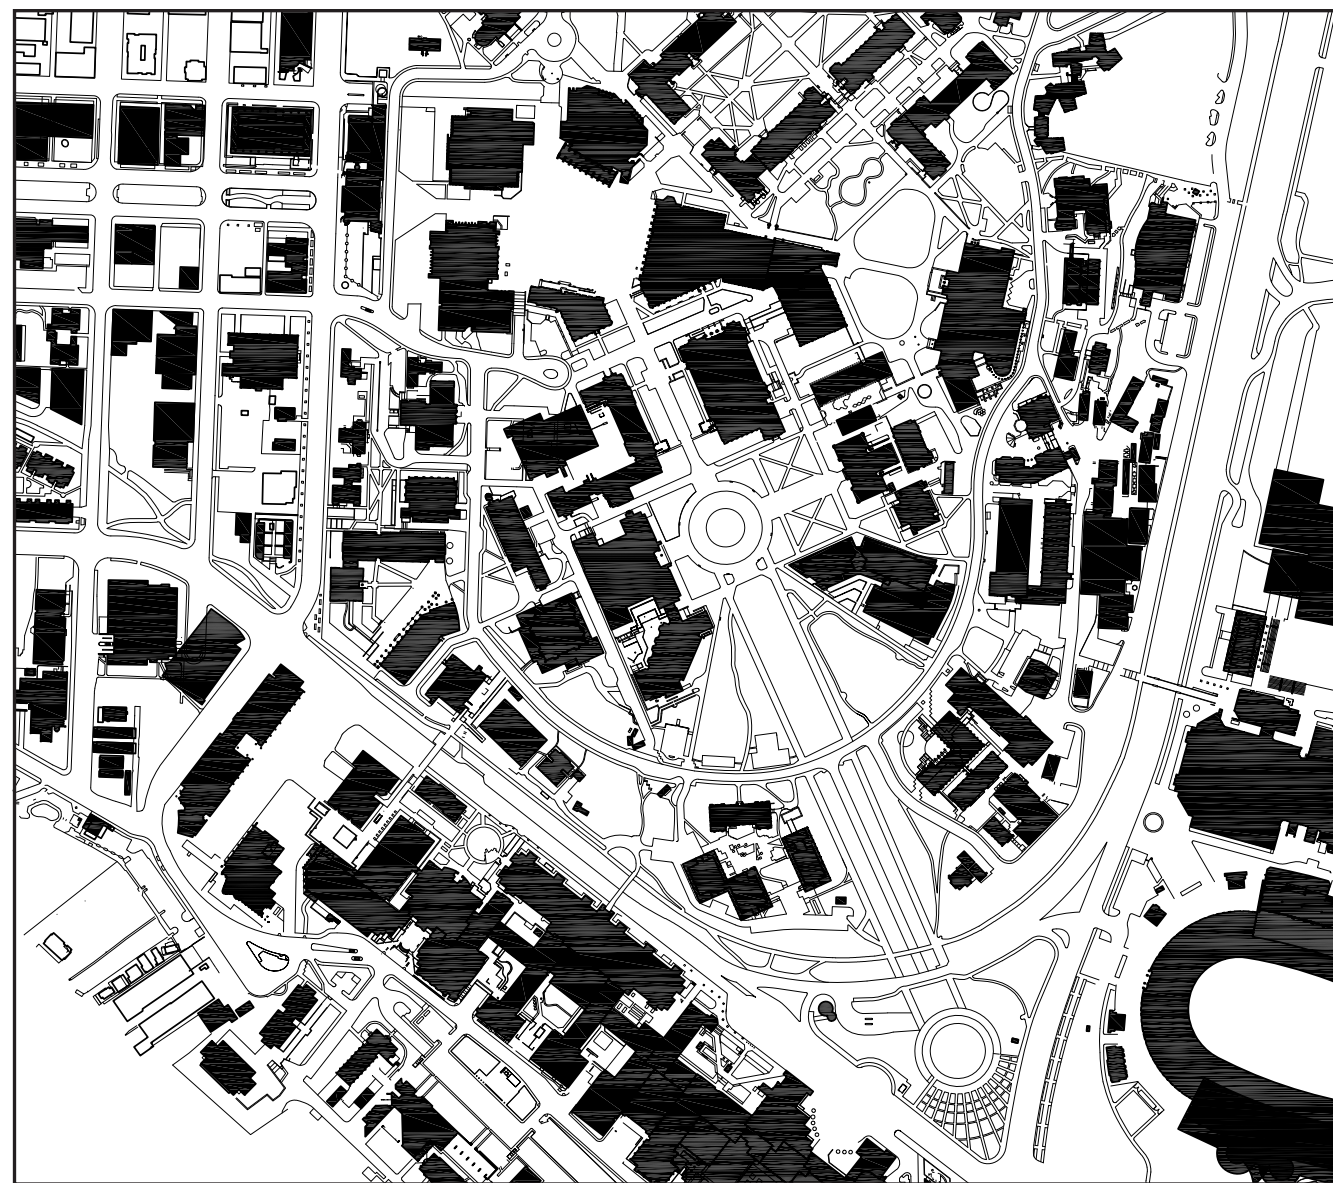

Our 2010 poster represents a cross section of institutions that have demonstrated leadership and commitment to sustainable planning, design, construction, maintenance, and operations. In an effort to highlight sustainability, we have documented the year each institution signed the American College and University Presidents' Climate Commitment (ACUPCC). Visit our website at www.asg-architects.com to compare our collection of one hundred ninety-two campuses side-by-side and to learn more about the history and purpose of the poster.

The following resources were saved in the printing of this poster:
